

TJ Partnership Fund FY 2017 Annual Report

Dear Friends,

I am delighted to be elected the Chair of the Thomas Jefferson Partnership Fund (TJPF) Board at a time of incredible opportunity for TJ following the completion of the school's remodeling and expansion and welcoming our new Principal, Dr. Ann Bonitatibus this summer. We are tracking towards a successful close to the Campaign for TJ this December, which will continue to meet the school's unique laboratory, technology, athletic and academic needs. I am grateful to the leaders of TJPF and to the talented and hard-working staff during these critical years! In our Annual Report you will read many examples of the important work that the TJPF staff and Board have already accomplished during the multi-year campaign. We could not have done all of this without the support of our parents, students, alumni, faculty, corporate partners, and elected officials. It is truly a Partnership!

Together in 2016-17, the TJ Partnership Fund:

- Assisted teachers with funding support for access to professional conferences, workshops, and memberships
- Facilitated unique classroom experiences in our school including the student-led tjSTAR symposium
- Helped fund clubs and extracurricular activities such as the Rocketry Club, HackTJ, Techstravaganza, and the Bioinformatics Society
- Facilitated a Student Ambassador trip for our students to visit and learn from TJ alumni in the San Francisco Bay region
- Funded the purchase of 2 turf fields at TJ for our Student Activities and Athletics
- Provided funds to purchase unique and state of the art equipment to help make sure all students have access to the resources they need for an innovative learning environment

Moving forward, I am pleased to announce that the TJPF will expand our focus to further increase alumni engagement with the school, with students, and with each other, and to leverage TJ's resources, students, and faculty for K-12 STEM outreach to our community. These new initiatives expand on programs already supported at a moderate level by TJPF including those listed above, but add a more deliberate focus on these areas to increase alumni and community engagement. We invite you to be part of our community by following our Colonials twitter feeds (including the TJPF's @tjpartnership), signing up for our newsletters, volunteering at an event, and making a donation.

Sincerely,

TJ Partnership Fund 2017—2018

and Administrative Coordinator

About the School

Thomas Jefferson High School for Science and Technology was founded in 1985 as Virginia's first Governor's school tasked with promoting science, technology, engineering and math (STEM) education in Fairfax County and surrounding jurisdictions. Today TJ has almost 1900 students and is respected around the world as one of America's leading science and technology high schools. Known best for the accomplishments of its students, the school has become an international model for its focus on inquiry-driven research and a unique curriculum that includes integrated and interdisciplinary courses as well as numerous challenging post-AP offerings. TJ provides those students who gain admission with an exceptionally rigorous STEM experience along with strong humanities and language programs, varsity sports, and 180 clubs that include several nationally ranked academic teams. The school boasts an impressive history of Olympiad and research competition recognition, and is also home to the founders of numerous non-profit organizations that inspire interest in STEM throughout the region. TJ is a diverse, collaborative community of dedicated educators and motivated, curious learners with an academic intensity rivaled only by its quirky school spirit.

Go Colonials!

The TJ Partnership Fund

As the non-profit foundation dedicated to supporting Thomas Jefferson High School for Science and Technology, the Thomas Jefferson Partnership Fund ("TJPF") works closely with the school administration to help further its unique mission. TJPF raises funds from current and past parents, alumni, corporations and foundations, and others who believe in the importance of the school's role as a STEM education leader. Its volunteer Board of Directors and small staff host events that highlight student research, mark school milestones, and celebrate our culture. Since merging with TJ's Alumni Association, TJPF assists with reunion planning, hosts regional alumni networking events, and encourages close ties between alumni and students. TJPF's Campaign for TJ has so far raised over \$7 million, enough to fund research instrumentation, school-wide technology, turf for TJ's athletic fields, and more. Following that success, TJPF redoubled its commitment to expanding access to STEM resources to better support the school's own outreach efforts, and that of its students and alumni.

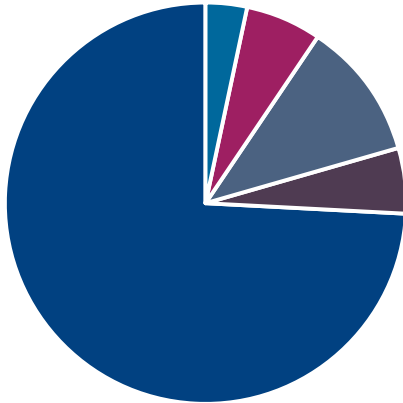

Turf Field Groundbreaking

Did you know?

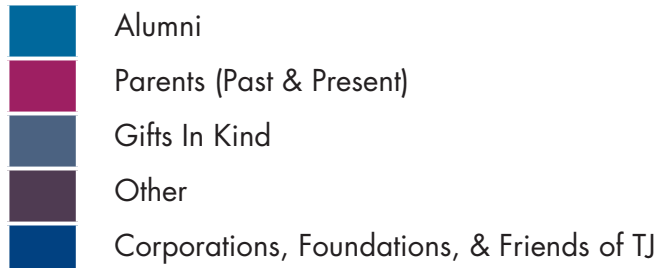

The Partnership Fund made a \$400,000 payment to Fairfax County to help install our turf fields.

FY 2017 Financials

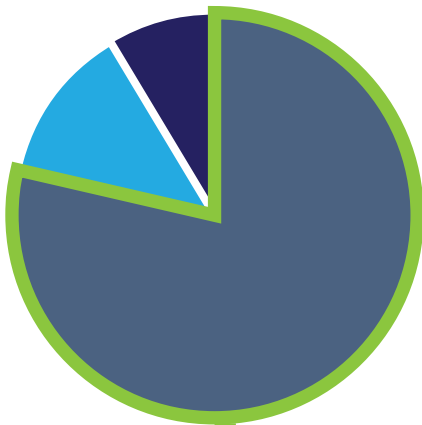

July 1, 2016 to June 30, 2017

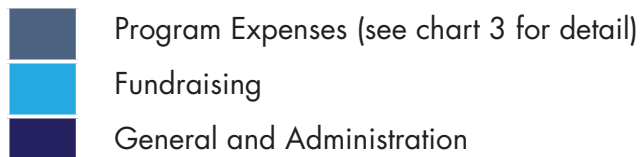

INCOME

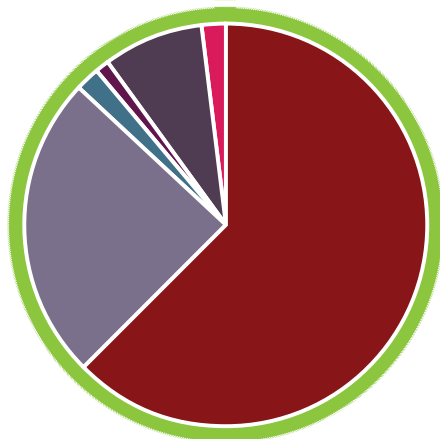

GROSS PROFIT: \$3,231,793.67

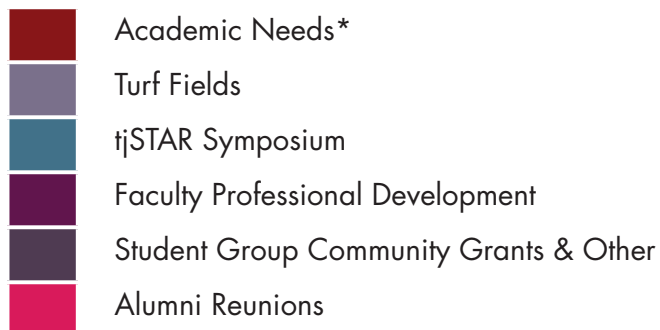

EXPENSES

GROSS EXPENSES: \$1,978,894

PROGRAM EXPENSES

*ACADEMIC NEEDS

- Liquid Chromatograph (Biochemistry) - \$48,000
- Biological Safety Cabinet and Centrifuge (JUMP Lab) - \$16,800
- Conductor Platforms and Stands (Music) - \$10,800
- 37 Scope Probes & Magnifiers (Microelectronics) - \$12,000
- 20 Dyson Hand dryers for TJ Student Bathrooms - \$13,000
- Confocal Microscope (Multi-Use) - \$222,000

The graphs shown here are estimates based on our current end of year financials. A copy of our audited Financial Statements will be available January 2018.

CAMPAIGN FUNDS AT WORK

\$2,033,500

Senior Research Lab Equipment

\$124,000 Biotechnology

Bioinformatics package, training, and supplies for genome machine, fluorescence In Situ hybridization probes, sequencing kits, DNA electrophoresis instrument and kits, bioanalyzer, hand-held PCR, consumables for sequencing projects, and more

\$244,000 Chemical Analysis

Fluorometer, potentiostat, replacement laser for Raman spectrometer, flame photometer, field sampler, chemical filters and storage, electrophoresis supplies, journal access, lab hardware and glassware, plotter printer, liquid chromatography instrument, and more

\$294,000 Neuroscience

Confocal microscope, fluorescent cell imager, bioamplifiers, microelectrode arrays, adapters

\$60,000 Oceanography

Underwater tow body with snorkel camera, remotely-operated submersible, PCR machine, sensors, 3D sonar mapping system, specialized lab furniture, aquarium parts

\$166,000 Quantum Physics

Nuclear magnetic resonance tomograph, smart optical tables with anti-vibration system, Scanning Tunneling Microscope (STM)

\$22,500 Astronomy

Console for future planetarium, high-performance computers for simulations

\$88,000 Energy Systems

Pneumatic kits, energy sensors, cable kits, spectrometers, voltage regulators, power converters, amp breakers, fuel cells, computer, specialized lab furniture

\$102,000 Engineering Design

Laser cutter, 3D printer, filtration system, specialized lab furniture

\$118,000 Microelectronics

Specialized function generators, specialized oscilloscopes, multimeters, breadboards, auxiliary workstation lights, power supplies, tool sets, probes, parts cabinet

\$555,000 Prototyping

CNC router system w/ dust collection and additional fixtures and programs, welders, lathe, drill press, bandsaws, storage racks, tools, spray booth, pneumatic tapping device, lab furniture, CNC waterjet, Haas SuperMini CNC Mill

\$105,000 Robotics

Quadcopter, Raspberry Pi 2 kits, Jetson TK1 vision development platform, bench lathe, tools, wireless antennas, drill press, soldering irons, oscilloscopes, multimeters, specialized lab furniture, more

\$13,000 Communication Systems

Software-defined radios, USB emulators, binaural microphone

\$73,000 Computer Systems

75" and 60" LED displays, CPUs, video cards, coprocessors, network components

\$17,000 Mobile App

Android phones & tablets, Bluetooth beacons, graphic cards, memory cards

\$52,000 Shared

Storage shelves

CAMPAIGN FUNDS AT WORK

\$655,000

Humanities, Arts, Athletics, Other

\$42,000 Humanities & Journalism

Online book collections, furniture, filing cabinets, computer safe, camera supplies

\$21,000 Math

Furniture, filing cabinets, presentation station

\$4,000 World Language

Furniture, filing cabinets

\$15,000 Music

Music stands & racks, conductor stand & system

\$438,000 Athletics

Soccer goal, basketball scorer's table, baseball/softball windscreen, high-jump pit, elliptical, stationary bikes, free weights, rebounder, trampoline; treatment tables, electrotherapy cart, ice machine, hot packs, other trainer supplies; storage, dishwasher; engineering and soil samples required to prepare for turf fields, turf field installation

\$122,000 Administration

Tables & chairs for testing and events, carpeting, partition for JUMP Lab

\$13,000 Green

Dyson Airblade restroom hand dryers

\$289,000

Science & Technology Classroom Equipment, All School Technology & JUMP Lab

\$150,000 IBET Design & Tech

Laser cutters, furniture, storage

\$16,000 IBET Biology

Centrifuge, incubator, still, distilled-water maker, icemaker, more

\$26,000 Physics

Oscilloscopes, power supplies, batteries, more

\$37,000 Wall-mounted Projectors

\$10,000 24" LED Monitors

\$4,000 Laser Printers

\$23,000 UV/Vis Spectrophotometer

\$14,000 Safety Shower & Eyewash Station

\$4,000 Hot Plate, UV Crosslinker, Workstation

\$5,000 Miscellaneous Supplies

FY 2018 FOCUS

The Partnership Fund Beyond The Campaign for TJ

FUNDRAISING FOR:

TJ's Academic Mission

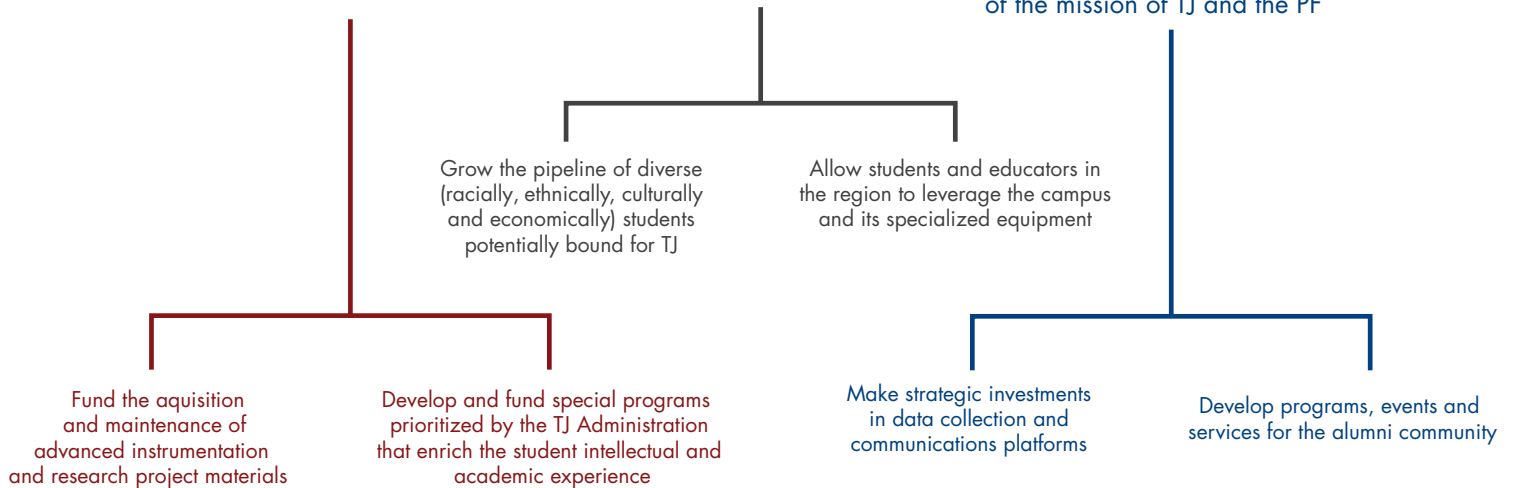

Help support and maintain
TJ's innovative student experiences
and academic excellence

STEM Outreach

Develop programs to
help ignite passion for
STEM learning

Alumni Relations

Cultivate meaningful and
sustained alumni participation
and increased alumni support
of the mission of TJ and the PF

Did you know?

The Partnership Fund awarded approximately \$9,000 in Community Grants to TJ's clubs, organizations, and boosters for activities that support the School's mission. By filling this funding void, the PF hopes to enable worthy activities that benefit TJ students and others in our community.

THOMAS JEFFERSON HIGH SCHOOL FOR SCIENCE & TECHNOLOGY

CAMPAIGN FOR TJ: LEADING THE FUTURE

Campaign for TJ Donor List with Donations to Other Funding Priorities

This list includes gifts and pledges of \$1,000 or more to the Campaign for TJ as of June 30, 2017, as well as like-size donations to other funding priorities since the launch of the Campaign. We greatly value gifts of all sizes. To see a complete list of Campaign donors, please visit our website at www.tjpartnershipfund.org/donor-list-2.

Thank you sincerely for your unprecedented support at this critical time in our school's history.
